SCENARIO FACILITATOR CLASS

CLASS OVERVIEW

This class provides participants with the knowledge and skills necessary to effectively develop, organize, and facilitate realistic training scenarios. Through instruction, video analysis, and hands-on exercises with professional actors, participants will learn to evaluate performance, provide strategic feedback, reinforce officer safety, and ensure scenario-based training aligns with established policies and objectives. The course emphasizes adult learning principles, communication, behavioral analysis, documentation, and effective evaluation techniques to enhance learning outcomes and improve real-world performance.

CLASS TOPICS & EXERCISES

- The History and Importance of Scenario Learning
- Review of Basic Active Listening Skills
- Review of Human Behavior, Behavioral Analysis, and Communication Basics
- An Introduction to Scenario Organization and Facilitation
- Scenario Development and Exploration Via Video Clip Examples
- The Adult Learner and How to Provide Strategic Feedback
